Jersey Sponsorship Program as of 2011

Thank you for considering a sponsorship for a youth soccer team in Nelson. Your financial support keeps the overall cost of the sport reduced so that it may be available to more families in our community.

When signing up, we are asking for a four-year period Sponsorship commitment. This may be paid over the four years at \$325/year or you can receive a discount and pay \$1,200 up front the first year. Yearly price is not locked in, and could change in the future.

In an effort to increase our fundraising, we offer additional advertising options on our Web Site Home page, made available to our Jersey Sponsors only. **See the attached Web Site Home page example.** The prices listed below are in addition to the Jersey Sponsorship fee. We receive over 30,000 hits a year. We believe this will increase with our new flash display of "picture of the week" and the addition of our Events Calendar and Photo Gallery.

Option #1 is \$1200/year offering a permanent display of your company logo and slogan with a link to your web site.

Option #2 is \$175/year offering a rotational flash display of your logo with a link to your web site.

Option #3 is \$75/year offering a rotational flash display of your logo with a link to your web site.

Some of the advantages of advertising through sponsorship are as follows:

1. Your logo/company name on 10-18 jerseys of a team that gets high exposure every weekly Game day throughout the 12 week season. Jerseys become the player's "badge" and are worn outside game days for further exposure.
2. Your sponsorship name is on all schedules, score sheets, media coverage and on our web site and www.nys.ca/sponsors/List where we can create a link to your web site. For more exposure on our web page choose one of the 3 additional options.
3. You receive a team photo to display each year showing your support.

Requests: Please contact us as early as January each year and we will do what we can to fulfill your requests by first received bases.

1. **Colours.** This year's jersey colors for each division are listed on our web www.nys.ca/sponsors/Jerseys.
2. **Age Group.** We will have teams in the U6 mixed division, and U8, U10, U12, U14, or U18 gender separate divisions.
3. **Specific player.** Please provide their name.
4. **Team names.** It is possible to have a team name other than your company name. For example: Ratcliffe Accounting could be "Ratcliffe Rockers"

Please return the following application. Payment will be accepted once a Team requiring sponsorship has been determined. (Usually known after March 11-player registration deadline)
